Underbelly Box Office, Bristo Square

Join Edinburgh's resident silent disco tour company on one of their infamous Silent Adventures. Expect an hour of pure, unadulterated fun. It's a flash mob. It's a silent disco. It's a roaming, rhythmic riot across the sound-soaked capital of Scotland.

Don the magical headphones and feel your inhibitions evaporate away as you groove through the city. Expect song, dance, and surprises in the most feel-good hour of the summer. With five star reviews all year-round this is the tour taking Edinburgh by storm.

The team are a collection of professional dancers, comedians, and singers. Each Adventure is completely unique as the improvised elements work their magic. A wonderful bubble of joy is created using a powerful blend of group psychology and the latest technology. It's a perfect way to see the world from an entirely different perspective. Bonkers? Tick. Different? Tick. Life-affirming? Tick. Your moves are awesome... you just don't know it yet.
